

Dear Camper,

It's me, Marshall  ! I'm at  **CAMP noggin** .

This week, we're being detectives !

My friends  and I went on a treasure  hunt!

We followed a map  . I tripped over a rock  and crashed into the treasure—a bag of pup treats  — but I'm okay! What's your favorite treat  ?

I am sad  that this is the last week of camp—we had so much fun! You can always come back and do the activities again!

Please write  back and tell me your favorite part about camp  —I can't wait to get your letter  !

Your friend,  
Marshall
