Hey, parents! Celebrate Noggin's new series created in partnership with Alvin Ailey. Meet Boogie, our dancing dino. She loves dancing – and she adores her costumes! As your child colors in each sheet, talk about each dance genre and how every costume brings each one to life.

## Instructions

1. Print out coloring sheets, and gather markers, crayons and/or colored pencils.
2. As your child colors, talk about each genre of dance using the fun facts and questions provided.
3. Watch *Dance Squad with Ailey*, premiering May 1 in Noggin!

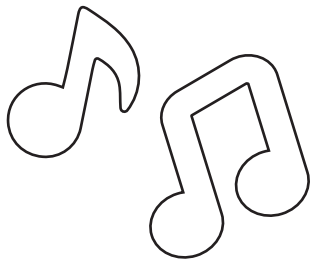

# Horton

**Fun Fact**

A mentor to Alvin Ailey, Lester Horton created a dance style to bring together dancers of all backgrounds.
